### Through engagement in mentorship as a protégé, you can:

- Gain a deeper understanding of curriculum and pedagogy
- Share effective instructional and learning strategies
- Increase awareness and knowledge of school district systems and procedures
- Develop collaborative relationships with colleagues
- Develop and refine reflective skills
- Be a member of a dynamic learning community

### Role of the Protégé

- Embrace a desire to learn new or develop existing skills and abilities
- Work with the mentor to assess needs and concerns and develop a personal growth plan (mentorship plan)
- Be open and receptive to kind, specific feedback and new ways of learning and teaching
- Be present and engaged when working with the mentor
- Value life-long learning
